1. Creation of new update set

- search for update set
 - Go to All >> In the filter search for Local Update set
 - Click on local update set

➤ After open the local update set Click on New

2. Enter the Details as:

➤ Name: Family Expenses

➤ Then click on Submit and Make current.

The screenshot shows a web browser window with the ServiceNow interface. The browser's address bar displays a URL from dev297230.service-now.com. The ServiceNow header includes the logo, navigation tabs (All, Favorites, History, Workspaces), a search bar, and a breadcrumb trail: 'Update Set - Create Family Expenses 2'. The main form area is titled 'Update Set New record' and contains the following fields: 'Name' (text input with 'Family Expenses'), 'State' (dropdown menu with 'In progress'), 'Parent' (text input with a search icon), 'Release date' (calendar icon), and 'Description' (large text area). To the right of these fields is an 'Application' dropdown set to 'Global'. At the bottom left of the form are two buttons: 'Submit' and 'Submit and Make Current'. The Windows taskbar at the bottom shows the date as 29-06-2025 and the time as 09:37.
